Droom E-commerce Services

Store Manager

Droom is a self-service platform where your success is in your hands. Store Manager is a self-service seller panel for technology and services, using which sellers can sell any vehicle anytime anywhere, using any device.

As a Pro-Seller, you can see where your business is heading with advanced analytics, listing summary, transaction summary, and more. You can upload listings in less than 3 minutes and instantly start selling through your Store Manager account. Also you can check your account details, submit a deal and more.
