About Droom

Droom is a technology and data science company that facilitates automobile buying and selling online through a combination of our automobile e-commerce platform and a vertically integrated proprietary products and services for the automobile industry.

We offer a 21st century e-commerce experience and we are one of the leading e-commerce platforms for used cars in India. We are the only major Indian player with a completely online transactional model and offer one of the largest selection of automobiles, with over 464K+ vehicles listed that includes both used and new cars, two wheelers, and other vehicles, as of September 30, 2021.

We have expanded our platform to include over 11 vehicle categories, sold by auto dealers and individual sellers in 1,174 cities in India. Our platform offers users convenience and a curated experience with automobile buying and selling, creating requirements, price discovery, booking, certifications, financing and doorstep delivery.
