About Droom

Droom is a technology and data science company that facilitates automobile buying and selling online through a combination of our asset-light automobile e-commerce platform along with a technology-driven vertically integrated proprietary ecosystem of products and services for the automobile industry.

We offer a 21-century e-commerce experience for automobiles and is one of the leading e-commerce platforms for used cars sales in India. We are the only major Indian player with a completely online transactional model and offer one of the largest selection of automobiles amongst the major online players in India with over 460K+ vehicles listed that includes both used and new cars and two wheelers, and other vehicles, as of September 30, 2021.

We have expanded our platform to include over 11 vehicle categories, sold by auto dealers and individual sellers in 1,169 cities in India. Our automobile e-commerce platform, which includes our website and mobile apps, offers users convenience and a curated experience to buy and sell new and used vehicles and encompasses every element of automobile buying from searching for a vehicle, creating buying requirements, price discovery, booking, certification to purchase and financing and doorstep delivery.
